President's Message

We're well into 2021 and optimistic about holding events in the future as vaccines roll out. Our hopes are high for some amazing events this year, including the first of our **2021 Tech Talk series** in April hosted by VP Dave Boyd, two overnights—a two-night return to Yosemite in May and a one-night trip to **PCA WERKS Reunion Monterey** on August 12/13. Day tour ideas include a Hwy 26/88/12 loop through Jackson, an SUV trip into the foothills and another **Porsche & Pints Gathering** in Atwater. Take a look at the full list of events [here](#) and watch your email for registration announcements.

Thanks for your patience as we gradually confirm dates and times. If you have a drive or destination idea in mind, please email me at nynelevn@gmail.com and I'll guide you through the planning process for leading a tour.

We've also completed amending the bylaws, which are available [here](#) on our website.

Cheers,

Brian
