

A close-up photograph of the interior of a Porsche El Portal. The image shows the leather-wrapped steering wheel with the Porsche crest in the center, the dashboard with various controls, and the center console with the gear shifter. The interior is finished with brown leather and dark wood accents.

President's Message

Dear Members,

As I am writing this, I'm struck by the great volunteers and members we have in our Region. Our Breakfast Tailgate last weekend drew 12 cars. It was fantastic to start seeing friends again. What we have in our region is special! Out of the ten regions in PCA's Zone 7, we were one of only two regions to grow last year. We grew by 4.8%, while Sierra Nevada grew by almost 6%. For context, Sierra is almost twice our size. This is entirely due to the relationship everyone in our region has with our cars and each other. I'm looking forward to seeing all of you soon as we add new events and tours during 2021. To catch up with what's happened so far this year and what's in store, check out webmaster Don Chaisson's [event articles](#).

Cheers,

Brian
