### **President's Message**

For the first time in a year, our Region had THREE events open at the same time on Eventbrite. Tech Talk #1, the April St. Jorge Wine Tasting and Yosemite/Tenaya overnight were all open near the end of March.

Tech Talk #1 drew a crowd of 19 members, the Yosemite overnight sold out and the St. Jorge tour brought out 20 cars and 41 members. That's the biggest tour crowd I can remember in my four years as a member outside of a member dinner or barbecue.

I got a reminder that things are still far from normal, however, when our Saturday breakfast tailgate spot announced they were closing on Saturdays starting May 1. This was brought on not by the pandemic, but by a labor shortage affecting small businesses throughout the Valley.

Many of you immediately responded to our email with new location ideas! After a scramble, we've settled on a new location that is probably out by the time you read this. Thank you so much for your flexibility and contributions.

In closing, I'd like to acknowledge the contributions of our Membership Chair, Anthony Vierra, who is stepping down in May for his move to Idaho. Thank you Anthony! Although Anthony's last event with us will be the Yosemite overnight, we're fortunate that member Gary Loudermilk has stepped forward to take over Anthony's duties. Thank you Gary!

Cheers,

Brian
