New Business

President's Report (Brian)

- Acknowledged Anthony Vierra's service as outgoing Membership Chair
- Acknowledged Gary Loudermilk's role as incoming Membership Chair
- Acknowledged Jeff Rosenthal as our first SIM Racing Chair
- Working with DCEM at Porsche Stevens Creek about a Saturday morning tech talk in Santa Clara

Jeff Rosenthal briefly explained the benefits of SIM Racing

- Keeps members engaged, even if they can't attend events
- eDE skills emulate real world experiences and are cheaper than running laps
- National sponsors like Hagerty and Pirelli are growing the fan base
- New way to meet members of other regions
- Engages younger potential owners to the marque
