RECENT EVENTS REVIEW

Tour Master 101 had light attendance; however, Performance Driving 101 was a hit with over 25 attendees.

Treffen at Sea was also a success with 18 Yosemite Region members on board. We had one of the highest attendance numbers based on percentage of membership. All members that attended had a great time and are looking forward to next year's Treffen at Sea in September 2025 which will be out of New York cruising through New England – we expect an even bigger attendance next year.

Werks Reunion was a great event, Dave Boyd had a car on the lawn.

Porches and Pints at Dust Bowl in Turlock was a huge success. Dave Woods reported we had planned for up to 40 cars but ended up with 53 (almost double last year which had 29 cars). Everyone had a really great time, A lot of new members attended, and we had new members sign up from the event. Dust Bowl said, "Thank You!" – we have next year's event booked for Sunday August 24, 2025.
